Respected Sir,

Warm Greetings from National Forensic Sciences University, Goa Campus!

NFSU, Goa Campus, is organising a Three-Days Research and Skill Development Programme (RSDP) on 'AI in Cyber Security and Forensic Science.' The programme is scheduled from 15th to 17th September 2025, and will be conducted in Hybrid Mode. It is our distinct honour to invite you to preside as the Chief Guest for the Inaugural Session.

This national programme is designed to bring together eminent academicians, forensic scientists, government professionals, and industry experts to deliberate on the transformative role of Artificial Intelligence - a key area of strategic importance for our university and the nation.

Sir, your visionary leadership is the guiding force behind NFSU's pioneering spirit. Your esteemed presence at the inaugural session would not only be a tremendous honour for the entire organising team and participants but would also provide invaluable inspiration and authoritative guidance to set the agenda for this critical discourse. Your blessings and words of wisdom would immensely motivate our faculty, researchers, and professionals from across the country who will be attending.

We sincerely hope that you will kindly consent to grace the occasion and inaugurate the session, thereby bestowing this initiative with your esteemed patronage.

Thank you for your constant guidance and support.

With highest regards,

(Prof. (Dr.) Naveen Kumar Chaudhary)
